They shall not form part of the Contract and this is not a sale by sample. The Company gives no warranties and makes no representations to the Buyer in relation to the country of origin of the Products, unless confirmed in writing by a director of the Company.

If the Buyer fails to do so, or within 14 days of the Buyer having carried out the inspection, the Buyer does not

notify the Company in writing that the Products are not in accordance with the order and detailing the discrepancy complained of, then the Buyer shall be conclusively deemed to have accepted the Products and shall not be entitled to reject the Products or claim damages or compensation from the Company on the grounds of any loss or defect which such testing or inspection revealed or would have revealed had the testing or inspection been carried out.
